

# Calling school children in East Bristol!

We are Sustrans, the charity making it easier for people to walk and cycle.

And we need **YOUR** help!

We are working with the local community in East Bristol, in partnership with Bristol City Council, to make the Bristol and Bath Railway Path better for everyone through the OnePath: BS5 Project ([grco.de/Onepath](http://grco.de/Onepath)).

As part of this, we are asking every child who goes to a school in East Bristol to help us with an important project, exploring local identity, which will influence the final design of the path.

This is called **The Pattern and Place Project**. You can do this activity from home.

## The Pattern and Place Project

**We want you to tell us what makes your local area special.**

Your 'local area' could be the place where you live, play with friends, go to school, take part in sports, walk, scoot, cycle and everything in-between.

Once you've had a think about this, we want you to...

**Share something that reflects what you LOVE and what or who is IMPORTANT TO YOU about your local area.**

This could be something you create, or a photo of something you already have.

**Examples could include...**

Picture or piece of art

Story, memory or description

Prized item, e.g. favourite ball

Photo of something in the local area

Mood board

**Your contributions will help inform:**

1. Designs for patterns and signage on the path
2. Potentially; artwork, gateway features and digital materials to go the website about the path & local identity.

**Please email your Pattern and Place contributions to:**

**Han Brittain, Sustrans South Officer**

Email: [Han.Brittain@sustrans.org.uk](mailto:Han.Brittain@sustrans.org.uk)

Phone: 07920 182 154

**DEADLINE: 5pm on Friday 17 July 2020**

Call, text or email me if you have any questions. Thank you for taking part.

*Covid-19 disclaimer: Whilst we understand that you may be inspired to go out and explore your local area as part of this project, we ask that you do this task at home. We want to make sure you all stay safe, and we're sure that your imagination and creativity will be more than enough to inspire some amazing co-created patterns for the path without going outside.*

Visit <https://www.gov.uk/coronavirus> for up to date advice and information. Thank you.
